

# Camp Internet EXTREME

Spring Break 2011

**Camp Internet: Extreme**, entering its 17th awe-inspiring year, offers students access to top-of-the-line 20" flat screen iMac computers, a wide variety of cutting edge multimedia equipment, and two certified teachers with 29 years of combined technology teaching experience. Campers will have an opportunity to use these resources to produce content for a DVD, produce virtual reality environments, design and manipulate digital video, create 3-D images, create animation, design their own animated creature, create studio quality music, and gain life-long technical skills that can be used in the home and classroom. Campers will work on their own computers to generate daily projects using the wide variety of media tools available. **All campers will leave with their own DVD of camp-produced work.** For grades 3-10. The **Camp Internet** instructors will teach your child to become comfortable using technology as a tool for learning. **Camp Internet** is designed to provide your child with a powerful, state of the art multimedia iMac computer, access to proven educational programs, and direct high speed internet access.

Ride on a virtual roller coaster that YOU design and build!

Create your own digital world.

Create animated characters.

Create your own music.
