

Appreciation for Souper Steller!!

Quotes heard at first Souper Steller

"I've been waiting for this all summer"

"This is the best meal I have had all week"

"May I have another roll" (times 20)

"I really like the flowers on the table"

"How can I help?"

"This is exactly why Steller is the coolest school ever"

"Maybe we should have a triple roll day, what do you think?"

Our first Souper Steller was a great success, thanks to the many students, parents, and staff who made it possible. Here is a brief report.

- **Served over 250 warm lunches** to our Steller community.
- **250+ 12 oz. bowls** of chicken tortilla and tomato basil soup, with cheddar or mozzarella cheese on top, 240 freshly baked rolls ,36 corn muffins and 3 bags of corn chips, 2 watermelons, 2 Costco containers of red grapes and 27 little cutie oranges.
- **More than 25 people helpers** to prepare, set-up, bake, stir, serve, make robocall, set up music, clean up for Souper Steller Here are some of the names(there were even more but it was hard to keep track)

Finances are good but we may need donations in a couple of months. We spent a lot of \$\$ (\$970) setting set-up for the first one because we bought some essentials that weren't food such as: 3 more industrial pots, 9 aprons, a Kitchen Aid mixer, bread baskets. We also purchased food items that will be used over the year like flour, salt, spices, Ziploc bags, sponges, etc. We expect to spend approximately \$250-\$300 per Souper Steller.

The goal is EVERY STUDENT AND STAFF IS WELCOME TO A FREE LUNCH, no one brings money to school for their lunch and it is guilt-free!! If you have not or cannot donate, no worries. We hope that everyone feels welcome to volunteer an hour during the year, if they can. If there is an auction, we will hopefully raise enough to cover for the 16 Souper Steller Fridays this year. We currently have just over \$2K.

Donations of time and \$ are always welcome. \$\$ are accepted anytime in the office (please make check out to Steller Parent Group and put Souper Steller in the memo)
