Q

Intuitive experience
Fast

What is Q?

Q is the upgraded version of our current student information system, Zangle.

Why upgrade?

1. Easier and faster to use
2. More intuitive
3. Improved layout
4. Web-based
5. Faster turnaround for permissions
6. Personalized options
7. Improved Grade Book features
   a. Multiple grading scales within a class
   b. Statistical data
   c. Ability to create student groups
8. Improved Enrollment features
   a. Part-time enrollment records remain open when transferring a student's primary track
   b. Parents can update their own contact information
   c. Parents can update their own password without knowing their PIN

Projected timeline

- Spring 2016 – Enrollment and Grade Book committees
- Spring 2017 – Training
- July 1, 2017 – Q goes live
