

KCC Veterinary Science presents
Doggie Daycare

Only mild temperament dogs.

If your pet is allergic to anything please notify staff at drop off.

All owners must show proof that their pet is current on their vaccines prior to bringing their pet in. Required vaccines include Distemper/Parvo, Bordatella and Rabies. Students will create a medical record for each pet which will include a copy of vaccine records.

Due to space, the program can only accept four dogs per day.
