

**STELLER SOPHOMORE DAY – Permission Slip**

**Friday, April 14, 2017**

**8:30 AM - 2:05 PM**

**King Career Center – Meeting room 1**

Each year Steller conducts an educational program for the sophomore class. The emphasis is on pertinent life issues affecting youth. This is a full day workshop that features guest speakers from the community. The purpose of this event is to present students with current and accurate information.

This year, our day includes many prevention-based presentations:

- Substance Abuse and Electronic Use – Tad Sumner, Psychology Resources
- Suicide Awareness – Sonya Davis, MOA DHHS
- ID Theft & Social Media Scams – Michelle Tabler, Better Business Bureau

**Parent permission is required to attend this workshop;** there are **two separate consent forms**, this one and one below called authorization for emergency medical treatment, if needed. Our goal is to have every Steller sophomore attend this important event. Students can find anything on the Internet these days, but not everything is factual. The importance of reinforcing information related to these adolescent issues couldn't be overemphasized and teens need to be provided with the facts to help them make wise decisions.

Students will be excused from classes if they attend the full-day workshop. However, students without permission must attend regularly scheduled classes.

Parent group and tenth grade parent volunteers will be providing lunch. We will be enjoying lunch on site due to time constraints on the speakers' schedule.

An ASD bus will transport students to and from King Career Center and will **depart promptly at 8:40**. Student will be returned to Steller by 2:05 PM. All students are expected to ride the bus.

Please call Nurse Annette at 742-4963 if you have any questions or concerns regarding Sophomore Day.

I give my child, \_\_\_\_\_, permission to attend Sophomore Day.
